

WARNING:

Failure to follow instructions may result in serious injury or death from entrapment or strangulation.

- Before each usage or assembly, inspect crib for hardware, loose joints, missing parts or sharp edges. **DO NOT** use crib if any parts are missing or broken. Contact your dealer or contact OUR customer service representative (phone Number 1-800-295-1980 or Email: dase@jardine.com) for replacement parts and instructional literature. **DO NOT** substitute parts.
- After raising side, make sure latches are secure.
- Replace teething rail if damaged or loose.
